2021 Swire Shipping

New Zealand Paper Tiger Nationals championship

Monday 18th January - Friday 22nd January 2021

Welcome and regatta information

The team at CBYC look forward to welcoming members of the Paper Tiger Association to the 2021 Paper Tiger Nationals - 43 Entries have been received

Directions for when you arrive

Address - 395 Marine Dr, Charteris Bay 8971

Google maps directions to corner – gravel driveway entry to club:

<https://goo.gl/maps/FncSEkzm7TGhuSLH9>

It is quite easy to miss the entrance to CBYC - please see above two images – look out for the CBYC sign just after the large green water tank and light-colored house in the above image

On Arrival

The club operates a strict one-way system on our driveways, once you drive down the entry driveway you will arrive at our unloading zone, this is where you can unload your boat and any gear you will need during the regatta. please do not leave your car and or trailer parked in this zone for extended periods.

DO NOT drive your car & trailer onto the hard space rigging area marked in yellow

With 43 PTs on our hard space there will be NO room to store trailers at the club during the regatta - once you have unloaded please take your trailer to the Cnr of Marine Drive and Bayview road this is the overflow trailer park and is located 500 meters from Club - in the direction of Orton Bradley park. Which is in the direction you arrived from. See pictures below

We have a Green shed called the Opti Hilton located next to the drop off Zone that we have emptied, and you are welcome to store spares, tool kits and bags in this shed for the duration of the regatta. it will be locked and is nice and secure.

Overflow and trailer parking behind the farm gate on the cnr of Marine Dr and Bay View Rd
